Young leaders, welcome to The One Young World Manchester Summit 2022

Wednesday 7 September - Agenda subject to change (all times BST)

Day three of the One Young World 2022 Manchester Summit will focus on the plenary challenges of Health and Conflict Prevention. Hear from world leaders on how we can ensure health equity for all, and steps that can be taken to prevent future conflicts.

Day three also features two Summit Spotlight Sessions, one which focuses on international threats and global security and the second highlighting the drivers of migration around the world. Also hear from the winners of the One Young World Politician of the Year Award 2022, how they are impacting their home countries and using their positions of leadership to benefit young people specifically.
